Governmental Support Austria

Austrian Health Care Systems & Engineering GmbH (AHC) is supported by AUSTRIAN TRADE, by law, the official Austrian Foreign Trade Promotion Organisation and the largest provider of services in the area of foreign trade. With a network of 70 Trade Commissions in 58 countries and another 32 marketing offices in new high-potential markets, AUSTRIAN TRADE is uniquely positioned to consult and guide Austrian enterprises worldwide and to find suitable foreign business partners for them.

AUSTRIAN TRADE is part of the Austrian Federal Economic Chamber system. The Austrian Federal Economic Chamber coordinates and represents the interests of the Austrian business community at a national and international level.

In line with an initiative of the Austrian government, AHC was established in order to promote interests of internationally acting Austrian or Austrian based companies in health care, on their export markets.

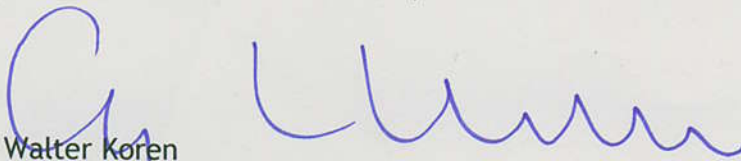

AHC Austrian Health Care unites Austrian Top companies, export financing banks and operators and acts as coordinator and platform, managing the internal and external relationship to international partners and ensuring the availability of all solutions and services jointly developed by industry and operators in Austria.

The central idea of this platform is the cooperation of internationally acting companies in health related areas, which have been successful in foreign trade for many years, to apply their knowledge and services for infrastructure projects more effectively for the benefit of their partners.

The companies within AHC provide high tech solutions in many different areas, ranging from planning, construction, equipment of hospitals and health related facilities, supply of medical equipment, HIS-solutions to education, training and operational management.

Austrian experience in the field of health care enjoys high international reputation and is a potential mean of assisting many countries in their efforts to improve their quality of life.

That is the reason why AHC Austrian Health Care receives our sincere support. AUSTRIAN TRADE actively takes part in AHC activities in order to multiply Austrian efforts in business support and export promotion.
